### Introduction

“Let all things be done decently and in order.”  
*I Corinthians 14:40*

“But all things should be done with regard to decency and propriety and in an orderly fashion.”  
*Amplified Version - I Corinthians 14:40*

- **Setting**  
the position or adjustment of something
- **Your**  
belonging to, made by or done by you
- **House**  
a dwelling, a building for human beings to live in
- **In**  
within; inside, contained or enclosed by
- **Order**  
a fixed or definite plan; straight row, regular series, a state of peace and serenity.

### Goal

Our goal for this workshop is to “Position and/or adjust our dwelling places (homes and churches) with a definite plan that produces a state of peace and serenity.”

### Questions to Ponder ???

1. Would you consider your home and church to be dwelling places where all things are done decently and in order? Why or Why Not?
2. Do you, your spouse, child/children have a Certified Birth Certificate? Social Security Card? Up-To-Date Immunization Record? Passports?

3. Do all of your church leaders possess a Passport? Is it important that the church leaders, as well as, the Pastor(s) possess Passports?
4. If the Lord came in human flesh to visit your church and house, three days from now, would you have to make any adjustments? What would they be? If He asked to review your Financial & Budget Records, what would He see?

Realizing that our home life is usually no greater than our church life, we want to make sure that our homes are in ORDER with the WORD and WILL of God!

### CLOSING REMARKS

Bishop Abe Richardson, my beloved husband and best friend, went home to be with the Lord in February 20, 2004. I will share with you how working together to keep order, made the funeral preparation and all the business matters stress free.

It has been approximately nine months since my husband went home to be with the Lord. I miss my husband dearly; however, I can honestly say, because we had a definite plan kept in order, it constantly produces a state of peace and serenity for my life!
